Written Testimony

I support the preservation of the Kānewai Spring in Kuli'ou'ou and the efforts of the Maunalua Fishpond Heritage Center in their caretaking planning for this important historical cultural site of O'ahu. I STRONGLY OPPOSE the suggested amendment to delete the funding under the proposed draft FD1 by Councilman Ozawa and hopes to see the City Council provide full support for the Maunalua Fishpond Heritage Center project which is critical to the care and preservation of the Kānewai Spring site. The site's continued existence and preservation will provide a strong and deep education center for our children, island visitors and future generations that cannot be replaced if it is lost to private development.
